---

### **Required Abstract Formatting** (250 word maximum)

- Introduction
- Methods
- Results
- Conclusion

-The abstract committee will consider abstracts previously submitted at other regional, national and international scientific meetings.

-Abstract topics for consideration will include (but not be limited to) prehospital and paramedic clinical care, paramedic and allied health research, service delivery, innovation, operations, education and leadership.

-The abstract committee invites paramedic clinicians, student-paramedics, and all allied health professionals to submit an abstract relevant to prehospital care and paramedicine.

-Abstracts will be peer-reviewed and scored by the abstract committee in a blinded fashion.

-Successful abstract presenters will have research symposium fees waived.

**Abstract notifications will take place by e-mail no later than March 1<sup>st</sup>, 2024**
